Helen's Heroes was founded on a grandmother's love, to provide support, peace of mind, and guidance to those in need. Our hope is that Helen's Heroes will serve a vital role in improving the lives of patients and individuals in our local communities. Our non-profit was founded in 2020 and since then, we have been able to donate 450 presents to patients in need during the holiday season, provide support to individuals in the community showing a need, and start our meal program enabling us to deliver over 15,000 meals.

The support we receive from our family, friends, and staff is essential to the work we do in the community. Your donations, time, and talents are greatly appreciated and we are grateful for however you are able to give back to Helen's Heroes.
